

Senior Motor Technician

Job Details

Employer: [German Autoworks \(PTY\) Ltd.](#)

Autoworks is an upmarket vehicle service and repair centre using modern diagnostic equipment and procedure based on the latest German industry developments. Our Vision is to be a leading provider of car service, repairs and parts in the Western Cape.

If you are talented vehicle technicians and you consider yourself to be one of the best in the Motor industry, then we are looking for you!

The ideal candidate would be able to work to deadlines and targets and have the ability to cope with constant workflow in a pressurized environment.

- Diagnose faults accurately and comfortable working on KTS diagnostics machine
- Carry out work (repair, service, diagnostics)
- Document work
- Quality control
- Provide guidance to Repair Shop Assistants and other Technicians
- Be an example to junior staff by always keeping workstations clean, neat and organised
- Support and assist Foreman as required

The Senior Technician will additionally support the Foreman in all his responsibilities and take over the responsibilities of the Foreman, whenever the Foreman is absent or not available and/or cannot fulfill his duties.

Advantages of working for us:

Over and above performance incentives

Constant training on new technology

Employment in a growing dynamic company

Work in a friendly and considerate environment

Candidate Requirements

Trade tested petrol mechanic or equivalent Tech Diploma

Ability to work on the latest technology and produce excellent quality work

5-10 years' experience

Valid Driver's License

This position reports to: The Foreman and Branch Manager
